Law students are also able to access Legal apprenticeships to work in the industry

## **Extracurricular Opportunities**

Visiting Magistrate courts and Crown Courts; Inns of Courts visits; work experience.

***“Law is an exciting and dynamic subject which impacts upon everything we do.***

*This course will help you to develop your critical thinking and analysis skills as well as developing the ability to ‘think like a lawyer’. Whether you’re choosing a career in law, this course will help you to develop an understanding of the mechanics of law.”*

## **How is it studied?**

Law allows learners to learn about numerous areas of law as well as how the legal system operates.

Students develop knowledge and understanding of the English legal system and areas of both private and public law.

You will develop and apply the techniques of legal method and reasoning to analyse and offer answers to problems, based on legal principles, legislation and case law.
