 Wixams
Academy

WELCOME FROM THE PRINCIPAL

Dear Families,

I'm writing to you as another year draws to an end again with immense pride for our students and community.

Our students never fail to amaze me with their hard work, compassion, resilience and unstoppable drive in everything they do. They have faced every challenge that's come their way this year, both as hard-working students and as young people facing this terrible pandemic and they have beaten every trial hands down. Our students, your children, are very special and I thank them all and wish them a happy and enjoyable summer holiday.

I would also like to thank you, our community, for your loyalty and support this year. It makes an immeasurable difference for us at the Academy and means that we can strive for the very best for your children knowing that we are always working with you in this regard. I would also like to thank all of you who supported the decision to open our sixth form in 2022 - your contribution was crucial.

Finally, the staff here at the Academy have been absolute heroes as they have navigated one of the most difficult years in education whilst juggling home and personal challenges that we have all faced through the pandemic. I cannot count the number of times staff members have gone above and beyond this year, all in order to make the Academy safe, enjoyable and inspirational for students as humanly possible.

We say goodbye to a small number of very precious staff this summer as Mrs Basudev, Mrs Ladwig, Dr Martin, Vijay Teji, Fiona Charles and Andrew Litchfield all leave us for new exciting challenges in their lives and we thank them from the bottom of our hearts for their hard work and dedication - we will miss you.

I normally introduce all of our new staff at this point, but with 25 new colleagues joining us in September it is not possible here, so I will reserve this for the September newsletter. Suffice it to say we have many more brilliant staff coming into teaching, pastoral and other support roles at the Academy, to make this amazing team even stronger in September.

Finally, I wish you all a very safe and restful summer. I can't wait to welcome our new Year 7s and everyone else back in September and to continue developing our exciting plans here at the Academy.

Thank you

Paul Spyropoulos
Principal

HEAD OF YEAR UPDATES

YEAR 7

Wow what a year! I hope all Year 7s can look back on this year and feel proud of how resilient and adaptable they have been. They have transferred to secondary education during a pandemic as well as coping with national lockdowns and isolation periods. Even through all this they have moved forward and succeeded academically and personally.

Year 7 have shown how keen they are to help in the school community by joining multiple clubs, entering inter-house competitions, supporting the careers programme, helping me create a kindness policy and forming part of the Humankind Group so the new Year 7 students will feel fully supported and welcomed in September.

We have recently had a visit from the police to inform Year 7 on their social media use which really helped them understand how to use this safely. Some Year 7 students even found the time to organise their own fundraising bake sale and guess the name of the teddy for Stand Up To Cancer. They raised £74.72 which was gratefully received by the charity.

Our Year 7 Values awards for this term are:

Determination – Millie and Harrison

Honesty – Dusan and Alyssa

A huge well done to these students for showing the Academy values.

It has been a pleasure to get to know all of the Year 7 students and parent/carers at home too.

I look forward to seeing you all back here after a restful summer in Year 8.

Have a great summer break!

Miss Stacey

YEAR 8

Firstly, I would like to congratulate Year 8 on their first two years at Wixams Academy. They have not been a smooth two years due to the pandemic but the resilience, determination, hard work and positivity they have shown is extremely humbling.

There are a few fantastic achievements I would like to share with you from this term:

Elizabeth (8Y) - BMX Nationals Competition:

After 18 months out of competitions due to Covid, Year 8 BMX star, Elizabeth triumphed at the Cyclopark National Series.

Competing against boys in the same age category, Elizabeth finished 10th overall and fell back in love with the sport. It wasn't easy in the heat and competition was tough but Elizabeth did fantastically well, even as one of the youngest riders. We are looking forward to celebrating Elizabeth's future success.

Elizabeth can be seen in blue in the photograph above.

LAFF Charity Fundraiser:

Some of our students in Year 8, with the support of Mrs. Valverde, decided they wanted to raise some money for the Latin American Foundation for the Future (LAFF) which supports local children's organisations in Peru. Through a charity cake sale, they raised a whopping £188.01! The money will make a huge difference to the students in Peru.

Year 8 students raising money for LAFF through a charity cake sale.

Values Awards:

Determination and working hard – For always being determined - George (8H) and Emily (8J).

Honesty – For always showing the value of honesty and modelling this to other students - Abigail (8A) and Jack (8Y).

I am incredibly proud of all Year 8s and cannot wait to continue as their Head of Year in Year 9. I am looking forward to seeing them thrive and enjoy their option subjects that will begin in September.

Have a fantastic Summer holidays, be safe, have fun and I will see you in September!

Miss Stack

YEAR 9

I hope everyone is keeping well. I really can't believe that Year 9 is done...what a year it has been! I want to start by thanking all Year 9 parents and carers for your continued support this year, you have all been amazing. I am so proud of all of the students and despite the challenges they have faced this year, they have really done their best to stay positive and work hard. Their positivity has allowed them to make a really good start to their GCSEs and you should be proud of them. The great start to their GCSEs is just one of many highlights of the year. Here's some other highlights:

- The support and care they have shown towards each other during lockdown was really lovely to see.
- The amazing charity bake sale organised by a small group of Year 9s.
- I was overwhelmed by the entries for the bake off during lockdown.
- The great achievements of those in the Brilliant Club.
- Being led across fields by some of our Duke of Edinburgh (DofE) students on a practice walk. I am looking forward to some more DofE fun next year!
- I also really enjoyed watching the Year 9 Euros competition at lunch, it was lovely watching them have fun and support each other (hopefully we get to finish this soon).

Our values this term are Determination and Honesty and I would like to award and congratulate the following students:

Determination – Max and Caitie - Your determination to do well and hardworking attitude is outstanding, you are great role models within the Academy.

Honesty – Ryan and Ella - Your honest, hardworking attitude is amazing and you are also really great role models within the Academy.

I am very much looking forward to Year 10 for what I can only hope is a more settled year for everyone.

I wish you all an amazing summer, have fun and stay safe.

Mrs Mountain

YEAR 10

I would like to say a massive well done to the whole of Year 10 for the maturity, determination and resilience that they have shown throughout this very different and at times difficult academic year. All students have taken the changes on board, without complaint and have made us all so very proud.

Over the past year we have enjoyed and celebrated so many successes from STEM and Art awards, ITV News appearances, inter-house competitions, bake offs, student assemblies, peer mentoring and mediating, formal tests, Duke of Edinburgh training and most recently work experience.

Not forgetting our successful campaign to be able to provide a Sixth Form for our students; the Year 10s passion, commitment and drive all helped for this to be possible (along with support from our amazing parents/carers, teachers and community).

Year 10 have also enjoyed a theatre production, performances from the Dance Company, sports day and a reward day with use of giant inflatables.

This term, our values focused on Determination and Honesty. I would like to award the Values Award to the following students for always displaying these values:

Determination: Rebecca and Theo

Honesty: Evan and Beth

As always, I am extremely proud of all Year 10 students, their continued hard work and achievements. The challenges they have faced this year have taught them valuable life skills that will transfer across all aspects of their life both now and in the future.

I would also like to thank all parents and carers for your continued support, it is very much appreciated!

I hope you all have a restful and enjoyable summer break and get to spend some well-deserved time with friends and families. I look forward to another successful year and welcoming everyone back into Year 11 after the holidays!

Look after yourselves and others.

Mrs Maddox

DEPARTMENTAL UPDATES

THE ANNUAL PLAYMAKING FESTIVAL

As part of our involvement with the Royal Shakespeare Company Associate Schools Programme, we were visited by two filmmakers in June who recorded our contribution to the annual Playmaking Festival.

Reflecting on their English lessons looking at *The Tempest*, our Year 9 GCSE Music students created a soundscape of a shipwreck. In addition, our Year 9 GCSE Drama students performed an abridged version of Act 1, Scene 2, with a focus on the dynamic between the powerful magician, Prospero and his daughter, Miranda.

The final performances were shown alongside contributions from Pendragon Community Primary School and Wilstead Primary School during the festival earlier this month.

MODERN FOREIGN LANGUAGES NEWS

French

Students in Year 9 have been learning about school in France.

Our pen-pal school, Marie de Luxembourg, in La Fère, has sent us a video about their school, and now we are getting ready to send one back about Wixams Academy.

Our students learnt that:

- The day starts at 8.30am and finishes at 5.00pm
- Lunch in France last two hours and there are no packed lunches
- There is no school on a Wednesday afternoon
- Children in France don't wear school uniform

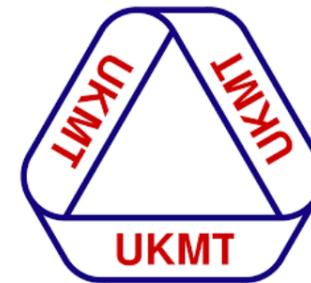

UK MATHEMATICS TRUST JUNIOR CHALLENGE

Congratulations to six of our students who earned themselves Silver certificates in this year's UK Mathematics Trust Junior Challenge.

A few months ago some of our best Mathematics students from Year 7 and Year 8 took part in this national challenge, which requires them to answer multiple choice questions in an online format. It is a demanding exercise designed to stretch and test students' mathematical skills, so we are delighted that our students did so well.

Silver certificates were awarded to Ame, Reece, William, Emma, Zoe and Thomas, who was also awarded Best in School. We also want to recognise the 12 students who earned Bronze certificates.

Well done to all who took part!

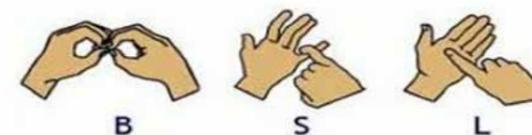

BRITISH SIGN LANGUAGE CLUB

Although Covid-19 meant changes to lunchtime breaks and keeping to year group bubbles, the British Sign Language (BSL) Club has still been a success with a small group of Year 7s and one year 10 student. All students have made great success with being able to communicate confidently.

Congratulations to three of our keen and enthusiastic students Amelia, Bethany and Kiearah.

We are hoping to continue running the BSL Club from September on Mondays after school, where all year groups can take part to learn the basics and sign songs. The most popular time is joining the school Choir and signing the lovely Christmas songs.

TEXTILES ENRICHMENT GROUP AND AFTER SCHOOL CLUB

Despite all the disruptions and self-isolations, the Year 9 and Year 10 Textiles Enrichment Groups and the After School Club (Years 7 and 8) have managed to produce some lovely work this term and hopefully gained some new skills. Some of the items they have made are bags, cushions, notebook covers and pencil cases.

Students discovered the art of tie-dyeing and transfer painting, learnt about how to inset zips, the importance of accurate cutting and machine sewing as well as experiencing the frustrations of 'invisible' hand sewing.

Well done everyone!

See you in September.

Mrs Kettlewell

DANCE AT WIXAMS

What a fantastic year it has been for the Dance department!

An amazing group of ambitious, creative, and determined students have amazed the staff here at the Academy this academic year.

Despite the unforeseen circumstances of Covid-19, students have demonstrated the true values of our school and shown us nothing but resilience this academic year. Firstly with an amazing talent seen in the last minute Christmas show, which was recorded and sent out the week before the Christmas holidays as well many other performances so far!

These students have been inspiring to many by not only learning a number of choreographies but performing them to an

incredible expectation. The students performed fantastically in assemblies to promote anti-discrimination in association with the Humankind project. They also performed to a high expectation in the community where a number of our students auditioned and placed a fantastic performance in Milton Keynes in association with Mótus Youth Dance Company.

As their Dance teacher I am extremely proud of what they have achieved during such uncertain times and cannot wait to see their success and growth in the future.

Miss Pereira

Wixams Dance Company assembly in association with the Humankind Group to promote anti-discrimination in June.

Yeah 9 Dance commercial group performing at Jumpstart21 with Mótus Youth Dance Company.

DANCE TIME TABLE

Club name/Intervention	Day	Time
Dance Technique and Choreography	Tuesday	4.00pm to 5.30pm
Year 11 Dance intervention	Wednesday	3.30pm to 4.30pm
Wixams Dance Company (Auditions will be held on the second week of term and there is no need to prepare choreography. Please note, this is subject to change)	Thursday	4.00pm to 5.30pm

PHYSICAL EDUCATION

It has been another fantastic year for PE at Wixams. Although we have missed out on fixtures, it has been great to see students working hard in PE lessons to continue developing their skills and knowledge and enhancing them further by returning to PE clubs. Students have embraced the opportunity to remain physically active throughout the year and taken the necessary precautions to ensure that they can do so in a safe and enjoyable manner.

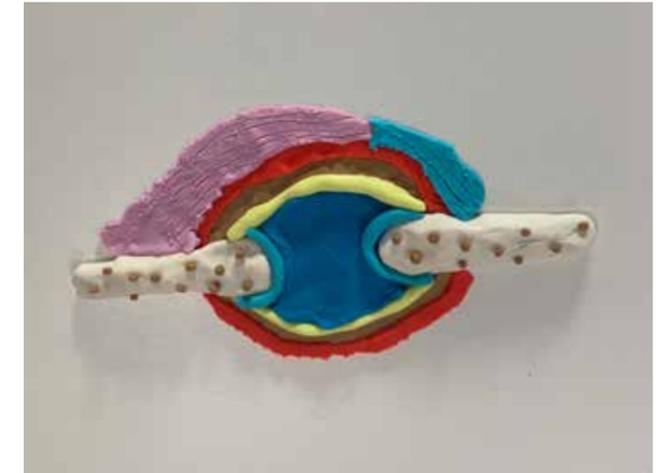

Wixams Euros

We ran our first ever Euros tournament this term. Students organised their teams and headed out to the field once a week during their lunchtime to be crowned Champions of Wixams. The students have demonstrated fantastic sportsmanship and leadership throughout the tournament allowing the fixtures to go ahead with ease and enjoyment for all. Well done to all that have taken part and thank you to the dedicated supporters at the sideline!

GCSE PE

Our GCSE PE students have been a credit to our department this year. A year of classroom and online learning has been a challenge but they have all taken it in their stride and have never lost focus. Year 10 have focused on the Anatomy and Physiology of the body and their coursework whilst Year 9s have begun their course studying physical training. The end of year mocks allowed them to demonstrate what they have learnt over the past year and we are incredibly proud of them all. They should be pleased with their accomplishments.

Picture shows Year 10 Synovial Joints.

Sports Leaders

Well done to the following Year 10s who have been awarded their Level 2 Sports Leaders Qualification: Louis, Sam, Keane, Raseel, Joe, Josh, Daniel, Rihanna, Ismail, Max, Olivia, Damon, Ben and Reece.

You are all amazing!

HOME COOKING SKILLS SEND DEPARTMENT

I am so proud of our Home Cooking Skills students, who have cooked up a storm, despite all of the adversity that has hit them this year. Who knew that when we were due to start cooking together, back in January, we would be plunged into another lockdown? How on earth would we make it work?

With the support of their amazing parents and carers, and their determination and resilience many of the students were able to cook week in week out at home, to produce some fantastic food.

Since we have been back in school, their skills have gone from strength to strength. Their organisation, washing up and clearing away has really improved, along with their confidence, independence and problem solving. They are developing a great understanding of healthy diets and value for money, with a bit of food science thrown in for good measure. These are essential life skills which they will take with them whatever they decide to do with their future.

The incredible smells which emanate from the food room often tempt staff members away from their desks to pop in and see what the students are creating and they love showing off their work.

I would like to extend a huge thank you to all of the parents of food students for initially putting up with them messing up your kitchens over lockdown and supplying them with, occasionally pretty unusual ingredients, every week. We know it has not been easy, with restrictions on shopping and difficulty in getting food deliveries. Your efforts have been hugely appreciated by the department as a whole and it has meant the students could experience amazing flavours they may never have tried otherwise.

You should all be extremely proud of yourselves! I am really looking forward to lots more cooking in September.

Picture shows dishes cooked by our Home Cooking Skills students.

Year 10 ASDAN have been working hard raising over £140 for Autism Bedfordshire.

Year 9 ASDAN have been working hard raising over £120 for The British Heart Foundation

A MESSAGE TO PARENTS FROM THE SEND DEPARTMENT

A heartfelt thank you to all of our parents/ carers during this academic year. Your support has been invaluable. Wishing you all a restful summer holiday and we look forward to seeing you all in September.

ENTERPRISE FACULTY UPDATE

Business Studies

GCSE Business has enjoyed an exceptional year of achievement by both Year 10 and our new Year 9 cohorts.

Year 10 mocks have shown some fantastic results; a special mention goes to the following students who performed outstandingly in their mocks:

- | | |
|----------------|---------------|
| Theo | Priya |
| Raul | Raseel |
| Rebecca | Oliver |
| Jasmine | |

A massive well done to the following Year 9 students who have made an amazing start in both GCSE and BTEC Business:

- | | |
|----------------------|----------------------|
| GCSE Business | BTEC Business |
| Kurran | Zachary |
| Finlay | Ashton |
| Nargis | Alexander |
| Henry | |
| Ashton | |

Computer Science

Our amazing Year 7 girls took part in the Network Rail STEM day for International Women in Engineering.

Students were able to gain an insight into the working world of women in engineering, for the STEM day here at Wixams Academy.

Students had a series of live Teams sessions conducted by women currently working in the engineering sectors, to inspire and enthuse the next generation of women in engineering.

A number of other schools took part and all students were able to ask questions, collaborate and share ideas for their futures.

Well done to the Year 7 girls for getting involved and we hope to see you taking up jobs in the Science, Technology, Engineering and Maths industries in your future careers!

Picture shows Year 7 students taking part in live Teams sessions for the Network Rail STEM day.

Media Studies

Year 10 Media Studies students have recently had their creative juices flowing as they put together their brilliant hobby magazines as a part of their GCSE project work. The level of creativity shown from planning photo shoots, prop arrangement, to the construction of the magazine as well as the written elements of these, have been exceptionally high and Ms Akhtar could not be more proud of how far the students have come.

A huge well done to all those involved in the execution of the magazine project!

Dance Magazine front cover by Year 10 student Emily.

Food Magazine - Direction by Oliver and photography by Ella in Year 10.

Creative Writing Magazine - Direction and photography by Tru in Year 10.

GCSE MUSIC STUDENTS

The last 18 months or so have been really tough for many of our GCSE Musicians. However, we're so impressed by the way they've showed resilience, determination and character by progressing and developing themselves, despite the setbacks.

We wish the very best of luck to our Year 10s who will record their performances for real next year as part of their GCSE course; you will do yourselves, your Academy and your families proud.

Special call out to Emily, Hannah and others who have been preparing for practical music examinations this year too. We know you'll pass with flying colours!

Mr Boast

HUMANKIND GROUP

The Humankind Group was originally set up because of the Black Lives Matter movement and a keen interest in raising issues of prejudice and discrimination. This student group contains over 80 students who are motivated by tackling all forms of prejudice.

Students involved have been incredibly proactive with the following examples showing exactly what many have been up to this year:

- Student led assemblies and PSHE content delivered to peers.
- Peer mentoring and 'Restorative Justice' work with the Anne Frank Trust.
- Organised a LGBTQ+ drop in support group.
- Created a new symbol that is now widely recognised within the Academy.
- Promoted specific charities and organising fundraising days throughout the year, for example, LAFF (Latin American Foundation for the Future).
- Wixams Academy Dance Company created a Humankind themed piece that was delivered to all peers within assemblies.
- The creation of a series of displays within the Academy to raise awareness.

Congratulations to Thomas and Kayleigh!

50 house points have been awarded for this fantastic winning entry. This symbol will now be used to accompany any Humankind projects or initiatives.

STAYING SAFE DURING THE SUMMER HOLIDAY

We wish all of our students a wonderful and well deserved rest this summer and we want you all to stay safe, particularly in regards to being around water. To emphasize this point, we invited representatives from both the Police and Fire Service to talk to all students about the significant dangers of swimming in lakes and the associated risks that are linked to these kinds of unsupervised and dangerous areas. These targeted assemblies were very informative and we thank PC Kerry Jones and David Lee for taking the time to speak with all of our students.

Please stay safe this summer and do not put yourselves in risky and dangerous situations.

SUMMER SCHOOL AT WIXAMS

We are delighted to be able to run a week of activities for our incoming Year 7 students and hope this opportunity helps the newest members of our community to feel welcome and happy at Wixams Academy. The week itself is jam packed with a wide range of activities such as food, sports, dance, drama, music, numeracy, textiles, art, literacy, Modern Foreign Languages and Humanities.

The Summer School will run week commencing Monday 23 August and we are welcoming around 90 students for what we know will be a great experience for them.

SUPPORT SERVICES

We strongly encourage all students to always talk to us if they are not feeling okay throughout this period of remote learning. We can offer direct guidance and support. Form tutors, Head of Year or members of the leadership team are all in a position to help. Counselling and therapeutic services are continuing with our external partners throughout this period of remote learning.

In addition to this in-house support, we would also highly recommend kooth.com which is a free online resource where young people can access immediate support, counselling, advice and guidance.

As the summer break is a long holiday, here are some other online resources that may be helpful:

NHS Every Mind Matters

www.nhs.uk/oneyou/every-mind-matters

This website offers a range of mental health advice as well as an interactive quiz that's designed to help you feel more in control of your emotional/mental wellbeing.

Kooth

www.kooth.com

This site contains free mental health support with their online counsellors. It is a free sign up service that has resources such as discussion boards, helpful tips/articles written by young people and an option for them to write mood journals & set positive goals.

Childline

www.childline.org.uk

A mental health charity for children & young people that has a wide variety of helpful videos, games and articles. They have a free telephone helpline (0800 1111) and message boards where young people are encouraged to share experiences and support each other in a positive way.

Papyrus

www.papyrus-uk.org

A mental health charity dedicated to preventing young suicide by providing support and resources for young people and their families. They have their "Hopeline" (Call: 0800 068 4141 / Text: 078600 39967 / Email: pat@papyrus-uk.org) for children and young people who are experiencing thoughts of suicide, or for anyone concerned for a young person that could be thinking about suicide.

Calm Harm

An app to help teenagers manage/resist the urge to self harm by providing a wide range of distraction techniques.

Combined Minds

This app contains psycho-education for parents, families & friends with practical advice on how to provide mental health support to children & young people.

Cove

A relaxing musical app that helps people try to capture their mood and express it by making music within the program and capturing it in a journal format. Note: you do not need to know how to play an instrument to use this app.

Stem4

www.stem4.org.uk

A charity that promotes positive mental health in teenagers as well as encouraging them to build resilience and manage difficult emotions via online resources.

YoungMinds

www.youngminds.org.uk

A mental health charity that gives help and advice for young people, as well as encouraging them to get involved in fundraising/campaigning to raise awareness for children & young people's mental health.

Samaritans

www.samaritans.org

A charity that offers mental health support & information online for everyone. Their helpline is free and available to all ages. Call 116 123 or email jo@samaritans.org 24/7.

Child Bereavement UK

www.childbereavementuk.org/young-people

A site which has resources for young people who are grieving, as well as providing information & advice to families/professionals on how to best support a young person who is bereaved. A helpline is also available on 0800 028840.

Clear Fear

An app to help children & teenagers manage anxiety through distraction & helpful activities.

Calm

A mindfulness app that includes various relaxing sounds to listen to as well as "sleep stories" & some guided meditations.

Headspace

A mindfulness app that has more of a "podcast feel" to it with various talks, guided meditations and helpful videos available.

REWARDS DAY

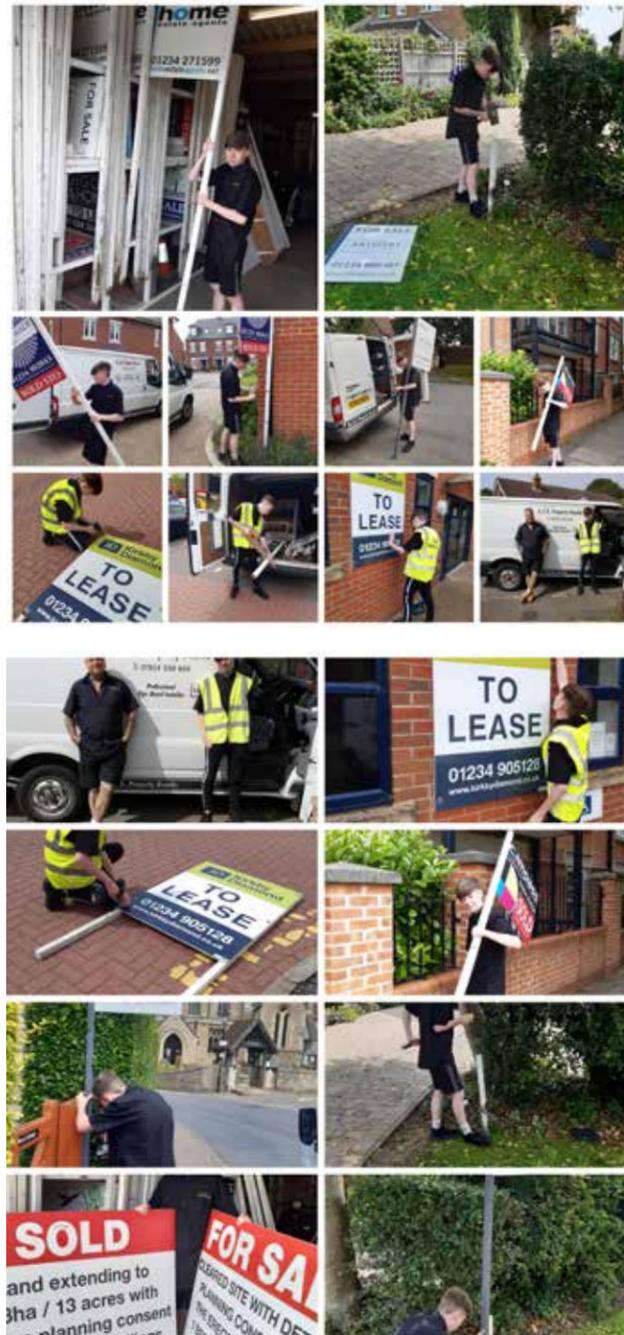

To thank our students for managing themselves so wonderfully throughout what has been an incredibly challenging school year, Monday 19 July was a Rewards Day at the Academy. Students were welcomed to attend in clothing of their own choice on the day and they all had an allocated 30 minute slot on a set of large inflatables that were out on the Academy field.

We hope our students had a great time with their peers and enjoyed this experience.

WORK EXPERIENCE

We were delighted to be able to send Year 10 students out on work experience despite the pandemic. Students gained a valuable insight into the jobs their families and close friends undertake on a daily basis and we are more than grateful to the companies who were able to offer placements. We were overwhelmed by the positive feedback from employers who commented on the polite and hardworking nature of our students. We are looking forward to arranging work experience for our current Year 9s in the Summer Term of 2022. If you feel you would be able to host a Wixams Academy student, please do get in touch.

INTER-HOUSE COMPETITION 2020/21

Despite the challenges that this academic year has posed, staff and students have engaged amazingly well in a very competitive inter-house competition.

We have had twenty different inter-house opportunities for students to take advantage of and many have done exactly that!

The winners for this year's inter-house competition is Hawkin. Well done team Hawkin!

Thank you to all students for their incredible desire to participate and try something new.

Have a good summer and we will see you in September.
