POST RESULTS SERVICES

Review of marking categories are as follows:

SERVICE 1 CLERICAL CHECK

This service included the following checks:
That all parts of the script have been marked. The totalling of marks. The recording of marks. The application of any adjustments. The application of grade thresholds. The application of any special consideration, where applicable (indicate on form). The outcome of the re-check will be reported along with a statement of the total marks awarded for each unit/component included in the enquiry. The target for completion is within 20 calendar days of exam board receiving request.

SERVICE 2 (Mark review)

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. The service is available for externally assessed components of both unitised and linear specifications.

The deadline for completion is within 30 calendar days of the awarding body receiving the request. This service will include:

- the clerical re-checks detailed in Service 1;
- a review of marking as described above;
- If requested, a copy of the reviewed script(s) for those units/components included as part of the Access to Scripts service.

ATS (Access to Script)

A photocopy or the original of the student's script (can be to support a review of results, or simply for the school to use for teaching and learning purposes).

Deadlines and costs

Fees are per unit/paper/component. Most subjects have multiple components.

On review, marks can go down as well as up. If the overall grade is changed the fees are refunded.
