

Dear Parent/Carer of Year 11 student(s),

I would like to take this opportunity to invite your son/daughter into the Academy over the Easter break for some GCSE revision sessions to help them prepare for the Summer Exams.

The sessions are outlined in the table attached to this letter and are arranged where possible to give your child more than one session to attend a subject area. Sessions will focus on key topics in preparation for the Exams or on providing further support for coursework.

A maximum of 30 students will be able to go to each session. Targeted students will be given priority and then places will be awarded on a first come-first served basis. Class teachers will email home if your child is targeted.

Students will need to provide their own transport to and from the Academy. Students are expected to attend from 9am – 1pm and will sign in and sign out each day.

We hope your child is able to take advantage of these opportunities and would ask you to secure their place by completing the Microsoft forms for each day by Thursday 25th March. We will contact you only if a session becomes full and your child is put on a waiting list.
